

## COVID-19 (Coronavirus)

Dear Valued Customers,

Thank you for your business and the opportunity to serve you. We wanted to personally share an update on our efforts to keep our operation up and running during the Coronavirus (Covid-19) pandemic.

We are reaching out to let you know we are doing everything possible in our security print facility to keep our employees safe along with their work environment and your print orders.

All meetings and travel have been suspended and we are implementing a strict sanitation policy at our facility.

Rainbow Printing is still fully operational, and we are confident in our ability to deliver reliable service and quality products. Essential secure products will be given priority at this time.

We will continue to keep you posted during these times as situations are changing on a daily basis.

Thank you for your trust and understanding. You can contact us during regular hours at our office at 1-877-380-7462. My emergency phone number is 506-432-0912.

Sincerely,

Grant Obermeier  
President
